Now has come the day that I take the lead  
and I make you follow.  
Toast the champagne cause I came for greed  
and not for tomorrow.  
If it feels good then  
it feels good and I do it all day.  
You want me to play you best bring your brain,  
you best bring your money.  
Make me a superstar. No matter who you are.  
Razorblade and lines  
and I walk the line without feeling no one.  
Damn my throat is dry,  
I can?t taste the wine from these empty bottles.  
Films and magazines its all what I need  
and all what I planned on.  
Where?s my limousine.  
It?s just like a dream that I won?t wake up from.  
Make me a superstar.  
It don?t matter who you are.  
Make me a superstar.  
No matter who you are.  
And all of my pills and all of my drinks  
is makin me, makin me, makin me.  
And all that I feel and  
all that I see is  
makin me, makin me, makin me.  
Cover me in greed,  
cause you planted the seed when you fed my ego.  
Needless and disease for old invincible me  
like some kind of hero.  
Is it no surprise that I?m paralyzed  
by my fame and fortune.  
As I close my eyes  
and dive into the sky I?m dead 27.  
Make me a superstar.  
It don?t matter who you are.  
Make me a superstar.  
No matter who you are.  
And all of my pills and  
all of my drinks is makin me, makin me, makin me.  
And all that I feel and

all that I see is makin me, makin me, makin me.  
And all of my pills and  
all of my drinks is killin me,  
killin me, killin me.  
And all that I feel and  
all that I see is fakin me, fakin me.  
Make me a superstar,  
it don?t matter who you are.  
Make me a superstar,  
no matter who you are
