C'mon Jericho,
You know I got ya, yeah

One, Break the walls down
(Break down the walls)

For those about to Rock,
Of what you what,
Baby you know you're Judas,
And I 'm your priest,
Baby what I got is not from the least,
Bring it from the stage in the rage of the beast,
Step in the arena and Break the walls down,
Step in the arena and Break the walls down

So sure, So right,
Yeaah, YEAH!

I'm awoken from a deep sleep,
You're all weak,
You're livin' in the agony of defeat,
I am the master of your whole heat,
And I am the cat that flocked you like sheep,
Step into the jam and break the walls down
Let your heart beat, it's the only sound,
Step into the light and then you'll know
You were stacked and dropped by the walls of Jericho

What you gonna do, Jericho, coming down, you feel me
now?
Uh! Break the walls down!,
Jericho!

For those about to Rock
Set the trap,
For those about to jump,
I'm all pumped,
For those about to go,
Watch me slow,
Break Down the walls of Jericho!

What you want?,
I'll break you down,
Break you down,
Uh!, Jericho all around!

For those about to Rock,
Of what you what,
Baby you know you're Judas,
And I 'm your priest,
Baby what I got is not from the least,
Bring it from the stage in the rage of the beast,
Step in the arena and Break the walls down,
Step in the arena and Break the walls down!
