Test, this is a Test, Test, Test, This is a Test
Here we go, bring your name, we can hold peace
Here we go, bring your name on the go
Freakin' pull the line and go, for the high school sock
hop,
Give it up, cause you and I know,
Conceit to fall on parasol,
'Cause Here we go, we can hold peace,
Yo, here we go, bring your name on the go
Freakin' here we go, bring your name on the go
Freakin' for a jack off, you can go
Here we go, bring your name on the go Freakin'
Test(give it in),this is a Test(here we are again)
Give it in, here we are again
Test(give it in),this is a Test(here we are again)
Give it in, here we are again
Test(give it in),this is a Test(here we are again)
Give it in, this is a Test(here we are again)

Here we go, bring your name, we can hold peace
Here we go, bring your name on the go
Freakin' pull the line and go, for the high school sock
hop,
Give it up, cause you and I know,
Conceit to fall on parasol,
'Cause Here we go, we can hold peace,
Yo,here we go, bring your name on the go,
Freakin' here we go, bring your name on the go,
Freakin' for a jack off, you can go
Here we go, bring your name on the go Freakin'
Test(give it in),this is a Test(here we are again)
Give it in, here we are again
Test(give it in),this is a Test(here we are again)
Give it in, here we are again
Test(give it in),this is a Test(here we are again)
Give it in, this is a Test(here we are again)
