Turn it up
Bangin' it, bangin' it, bangin' it
Bangin' it bangin' it, bangin' it
Ah, that was interesting
Turn it up
Turn it up
Bangin' it, bangin' it, bangin' it
Did it up, foolin around
Did it up, foolin around
Did it up, did it up, did it up
I will make you understand
Turn it up
Is the answer
Bangin' it, bangin' it, bangin' it
Did it up, foolin around
Did it up, fooling around
Did it up, did it up, did it up
(yelling)
I will make you understand
Break it down
Turn it up
