One two,
this on?

Hah
Yo Jimmy, hit me with that Triple H (ha ha ha ha ha ha)
Yeah, you let that music keep playin', Mr. Dunn

Yo, tell me whose time it is now
You don't know what trouble is!
It's our time
Yo, here comes trouble!

Not gonna listen to anybody
Tell me who and what to be
Not tryin' to be like anybody
Tired of playin make believe

Cause I lead the blind
And the blind lead the blind
My time! Our time! My time is time
My time! Our time! My time!

We're not lookin' back, we've had enough
You don't know what trouble is
With The games, politics, sissy toughs one time
All these fools, stupid rules (Yo, I've had enough of
this)

All your stupid rules!
Yo, you keep your finger off the switch, Dunn
All your stupid rules!

Don't you understand your own dillusion? (All your
stupid rules!)
Or don't you understand your own confusion? (All your
stupid rules!)
Make up a fanstasy in your little mind
Follow the leader, let the blind lead the blind (All your
stupid rules!)
Follow the leader, let the blind lead the blind

Yeah... yeah...
Yo, the years went by, lived your lies
The marks, the suits, McMahon
Give us a show, we'll give ya nothin'
The smart one, the mellow one, the easy one
Well it's our time now (Yeah)
It's our time now
You know it's our time now...
And then the truth will set you free!

Heh
Yo, Dunn, keep your finger off the switch

It's our time
It's our time (I've had enough of this)
It's our time! (I've had enough of this)
Yo, I've had enough of this
Who, who's sleepin' with who around here?

I've had enough of this
You know I've had enough of this
I've had enough of this

Yeah, the years went by, lived your lies
The marks, the suits, McMahon
Give us the show, we'll give ya nothin'
The smart one, the responsible one, the easy one, the
mellow one
Well it's our time
It's our time (You will know)
It's our time (You will find out...)
It's our time! (...what trouble is)

You will, mark my words, find out what trouble is

Yo, tell me somethin'
Who's sleepin' with who?
Huh?
Does anybody know who's sleepin' with who? (I can't
here ya)
