Y'all wanna thank y'all for coming out tonight to see me
for original, original diva, original dub plate
Right now put your hands together
Now listen to Miss Whitney Houston (COME WITH IT!)

(Whitney Houston)

No one can play this but Refugee's on the number 1
tour
Yes massive this is the original vocalist
Yo, this is Whitney Houston
I'd like to say rest in peace to Dennis Brown

If tomorrow is Judgement Day (light is in the air)
And I'm standing on the front line (AIYYO!)
If I wake up in World War III
Um, and the Lord asks me what I did with my life
I would say: "Wyclef murdered a sound boy" (YO,
HUH!)

(IF YOU BELIEVE IN THE MOST HIGH
(EAST COAST, WEST COAST, HEY, HEY!)
HANDS IN THE AIR!)

I see the destruction in poverty
It's okay, as long as Wyclef is with me
And I feel like I wanna go home (SOUTH SIDE!)
hands in the air, everybody, hey!)
(North Side, Jamaican, Caribbean, Haitian
My love is your dubbing, my dub is your dub
And the change of our start? (LISTEN TO ME!)
It will take eternity to break us
?as myself is yourself
It will take eternity to break us
Cause the Refugee sound is the only sound
And a million sound boys will die before us

(Wyclef Jean)

This for the hardcore, before I had the record deal
youknowhat!msayin?
My little girl saying: Yo Clef, that nigga trying to stick
with something
I'ma take y'all back when I was walking down the street

Walk over to him and said: Yo
