Out of my way!

Nobody's gonna stand in my ways me lose this all
Would you,like to,be the one who sees me fall
Give it up son, I'm doing this my way
Nobody's gonna stand in my way
Give it up son, I'm doing this my way

You'll like to think the world is over now but you can't
breathe at all
You like to think your owed a favour now but man
you've seen it all
Did you,want to,be the one who pushed me off the wall
Did you want to be the one who let me fall

Nobody's gonna stand in my way
Give it up son, I'm doing this my way
Nobody's gonna stand in my
Give it up son, I'm doing this my way

You can't hold me down
You can't hold me down
You can't hold me down
You can't hold me down

I can't pass up this opportunity to make myself the
same
I can't pass up this opportunity to let myself be heard
Would you,like to,be the one who sees me lose this all
Would you like to be the one who sees me fall

Nobody's gonna stand in my way
Give it up son, I'm doing this my way
Nobody's gonna stand in my way
Give it up son, I'm doing this my way
Nobody's gonna stand in my way
Give it up son, I'm doing this my way

Out of my way !!!!!
