Yo Ya Dealing With The X-Factor
I've got everything i ever wanted and im going to get
that back
Oh! i know you hate X-Factor but you don't have to look
at me like that
I say you aint have to look at me like that

What you lookin at
What you lookin at
What you lookin at
What you lookin at

You run arround pulling stunts like that
You can never run my life like a punk like that
I aint caught like that
I couldn't run like that
Im keeping that bitch whos gonna take my hat
Oh im knockin on your back when the day looks glim
(Your Deeling with the X-Factor)

I spend a lot of money with the time walk whimps
I remebered the cruel
Remembered the Good times
Remember the Urge and remember the Sunshine
Its all going as a thing of the past
The The fact remains that it goes real fast
So while you sit around when things don't change
I can sit here and Sing 'Hey Rocky Wait'

Ive got a cousin baby who like being good to me
And i know it makes you mad because you can't see

Ive got everything i ever wanted and im gonna get it
back
Yo i know you hate X-Factor but you don't have to look
at me like that
I say you aint gotta look at me like that, or that

What ya lookin at
What ya lookin at
What ya lookin at
