Ahh ... yeah ... ahh ... yeah ... (run, run, run, run)  
You can run if you want to, cause you can't hide.  
So you could run if you want to, cause you can't hide.

I see you don't know, who you dealin' with  
I don't have it all, I'm a lunatic  
Cause see society? They label me a threat  
But I'm just gettin' started, I'm not finished yet.  
Look me in my eyes, I can see your thoughts  
All your ups and downs, all your little faults  
Keep actin' tough, it's gonna get creepy  
All of a sudden you're startin' to feel sleepy.  
But in these streets, when you doze off,  
You wake up with your clothes off  
Ashamed, feelin' so lost, whoa.  
You see my crew, you know my style  
Victory is mine, you're goin' down.

Ahh ... yeah ... ahh ... yeah (run, run, run, run)  
You can run if you want to, cause you can't hide  
So you could run if you want to, cause you can't hide.

You can hop over the fence, run under the bed  
Get down the block, but ya can't hide  
You can stay at your friends', sleep in your benz  
Free from ya sins, but ya can't hide.  
We get a poppin' baby, (right, right, right, right)  
We give it to 'em daddy, (true, true, true, true)  
Yeah, yeah, yeah, yeah, yeah, yeah  
now make noise, yeah, yeah.  
Make noise, yeah, yeah.  
Make noise, yeah, yeah.
