"I see the way you look at me
You envy me [You Envy Me] and its killing you, [Eating
You alive]
And you know it makes me smile when I look in the
mirror
Thinkin' how good it is to be king!

Chorus:
And dont you wish you were me?
The King of all you see
N' Don't you wish you were me?
It ain't that easy,
N' Don't think you'll ever be,
Everything a man should be
Cause dont you wish you were me?
Keep dreamin' You'll never be me

Too soon, you'll be a memory
There for all to see [Forever] Just Illusion [Just Illusion]
And sometimes it makes me laugh, when I see your
reaction
Knowing that I've become mighty!

Chorus:
N' Dont you wish you were me
The king of all you see
Dont you wish you were me
It Ain't that easy
N' Dont think you'll ever be me
Everything a man should be
Cause, Dont you wish you were me
Keep dreaming you'll never be me

Chrous:
[Inside your mind there is a freak]
[That drives me on past all defeat]
[You'll never have, you can't instill]
[The Power of my Iron will!!]

Chrous:
N' Dont you wish you were me

The king of all you see
N' Dont you wish you were me
It Aint that easy
N' Dont think you'll ever be
Everything a man should be
Cause dont you wish you were me
[KEEP DREAMING, You'll Never Be Me!]

[The king of all you see]
It Aint that easy
Everything a man should be
keep dreaming you'll never be me
{Echoes: Me,Me,Me,Me,Me,Me,Me,Me}"
