*[Wyclef]*

Right now if you raising some children that don't  
belong to you  
But you know you're taking care of them  
Please report on the dancefloor, let's go now  
Do the stepfather dance (to the right)  
Do the stepfather dance (to the left)  
Do the stepfather dance  
Baby mama don't hurt nobody, come on

*[Wyclef]*

I ain't that baby's daddy, I treat him like he's my own  
But sometimes sit and wonder how can I father another  
man's son (oh)  
When ? breaks in the pad  
Shorty wanna scream 'I ain't his real dad' now  
I may not be your father  
But I'm the closest thing to him

*[Wyclef]*

Girl I love you  
And ain't a thing that I wouldn't do for you  
You my boo and we be sticking just like glue  
But your kid's got me losing my mind  
Wanna know if I want you  
And if I do then you just gotta come to  
Now the family be fighting through hard times  
But I'm gon' treat them like they're mine

*[Wyclef]*

I ain't that baby's daddy, I treat him like he's my own  
But sometimes sit and wonder how can I father another  
man's son (oh)  
When ? breaks in the pad  
Shorty wanna scream 'I ain't his real dad' now  
I may not be your father  
But I'm the closest thing to him

*[Wyclef]*

Fresh pair of Jordan's you had it

When you want a Playstation you had it (Vendetta)  
First day of school you had it  
Even when I didn't have it  
Once upon a time, not long ago  
Before the dreads, when I had the afro  
When in school I used to pass the love notes  
If you like me check yes if not check no  
Flip the page now everything changed  
The kid don't even have my last name  
Sometime I feel like I'm paying child support  
Someone please call people's court

*[Wyclef]*

I ain't that baby's daddy, I treat him like he's my own  
But sometimes sit and wonder how can I father another  
man's son (oh)  
When ? breaks in the pad

Shorty wanna scream 'I ain't his real dad' now  
I may not be your father  
But I'm the closest thing to him

*[Wyclef (Redman)]*

No, (come on) I can't seem to take this pressure no

And ? told me young man that life's too short  
So leave ya kids at home, meet me on the dancefloor

*[Redman]*

Yo Wyclef you a wild boy, check it out

*[Wyclef (Redman)]*

Do the stepfather dance, to the right

*[Redman (Wyclef)]*

We go, Redman, ganjah the smoke  
Listen to the sounds of my nigga funk doc, oh  
Wyclef, you know you rule hip-hop, oh  
Yo let me handle my bidness (go ahead)  
If you love your sons like I do, dress like you and  
Air's on his feet, and shinin' his jewels  
Brag when he get back to school  
Saying my daddy bought me Vendetta 2 for Gamecube  
You know kids that try to get fast  
That's when I open up a can of whoop ass  
Listen, I'm the boss, if you do what I say  
Like Nas, the world is yours, let's go

*[Wyclef]*

I ain't that baby's daddy (Redman)  
I treat him like he's my own (we in the house)  
But sometimes sit and wonder how can I father another  
man's son (oh)  
When ? breaks in the pad (aha)  
Shorty wanna scream 'I ain't his real dad' now (aha)  
I may not be your father (ey)  
But I'm the closest thing to him (come on)

*[Wyclef]*

I ain't that baby's daddy (I ain't that baby's daddy)  
I treat him like he's my own (like he's my own)  
But sometimes sit and wonder how can I father another  
man's son (oh)  
When ? breaks in the pad (breaks in the pad)  
Shorty wanna scream 'I ain't his real dad' now (you ain't
