(feat. Yxia)

[Intro: Wyclef Jean]

Wyclef AKA Mr. Reloaded

All di sexy girls, di sexy belly dem

Hey hey, this one goes out to the fine senioritas

All over the world belly dancin in the villa

See her in the dance gettin tipsy of Tequilla

The way she moves her hips she reminds me of
Shakira

[Chorus: Yxia (Wyclef Jean)]

Belly dance, belly dance

(She gone get up and dance all night and do the) Belly
dance

(New dance) Belly dance (New dance) Belly dance

(She wanna forget her problems tonight and do the)
Belly dance

[Verse 1: Wyclef Jean]

I get a call from Shakira Shakira

I was gone but she made me come back before
November

The rhythm of her belly got me dancin till the summer

I surrender, now every girl, come on come on

From Havana to Copa Cabana, Africa to Osaka

Di belly dancin gettin really hotter than di summer

Jamaican, Haitian, Latinas and Gyptians

Dem a do di belly dance and movin frisky

Di way dem a wine dem lookin tipsy

Tek a man rum and tek a bottle of whiskey

Girl yuh a wine and do di belly ting

Mi love how yuh look hot show yuh belly ring

And how yuh showed up showed up wid yuh pretty belly
skin

Mek a man hair wanna stand uplike a Don King HEY!!!

[Chorus: Yxia (Wyclef Jean)]

Belly dance, belly dance

(She gone get up and dance all night and do the) Belly
dance

(New dance) Belly dance (New dance) Belly dance

(She wanna forget her problems tonight and do the)
Belly dance

[Verse 2: Wyclef Jean]

For Fully Loaded ask (?) you know I'm always loaded
Back for Fully Loaded tell Renaissance you know I'm
always loaded
I got a truck full of girls dem a do di belly dance some
slim some overloaded
Back to New York, to the airport
Girl pick me up in a brand new sport (HEY)
Look into her eyes and I got the feeling
Tonight she belly dancin to the ceiling

[Chorus: Yxia (Wyclef Jean)]

Belly dance, belly dance
(She gone get up and dance all night and do the) Belly
dance
(New dance) Belly dance (New dance) Belly dance
(She wanna forget her problems tonight and do the)
Belly dance

[Bridge: Wyclef Jean]
