(Italian speaking)

Yo, I'm rollin with the wise guys  
you don't wanna testify  
I thought it was a movie till they paid me off in jury duty  
I can't front the check came in handy  
cuz my baby mother stressin me like Edith did Archie  
they welcomed me into the family  
bought me a Porsche and a crib out in Jersey  
I told my moms she wasn't thrilled  
she told me they like mad lions son, they shoot to kill  
and leave your body on the hill  
massacre similar to what happened in Amityville  
I'm sittin back with a fifth  
reminiscing on who I miss  
slidin the family stone in the cd disc

(Chorus)

It's a family affair (X4)

Blood is thicker than water  
The feds got me under pressure, yeah  
They say I might not see sunlight again  
Unless I snitch on my mans  
and that won't happen, no no

(Chorus)

They want me to go undercover  
They want me to wear a wire too  
It'll never happen  
Cause I can't see  
Me going against my family tree  
It's a family affair

(Chorus)

By the time you get this letter  
I hope that you're in good health, mom  
I never meant to hurt you  
I never meant to do you wrong

I know you raised me  
In the ways of righteousness  
And this is gonna be the last time I do a bit

I want out now  
He laughed and said, Please Hee Hee  
You can check out but you can't leave  
I'll cut you up in so many pieces 'Clef  
That even if I sent your mom the instruction  
She couldn't put you back together  
4-5 ways to be circumsize  
Times stand still when the murders on the rise  
Any last words  
Give my regard to Tony Soprano

(Chorus X2)

Refugee Camp  
Wyclef, Jerry Wonder  
Ghetto and Blues  
Product  
New Millenium  
Come on, come on, come on
