Rolling Stones could not be here with you tonight
Led Zeppelin couldn't be here with you tonight
But we got Wyclef Jean in the house tonight

Yo, I woke up on the other side of the bed
Tune into my rock station and someone say
'Hip-hoppers can't play rock and roll', huh

I cheated on you, you cheated on me
And this is not the way that things are supposed to be
So tell me girl, is this for real or just an illusion?
I pinch myself to make sure that Wyclef ain't dreamin'

By the time you here this song, it'll be number 1 on
your radio
You'll be drivin' from the beach
And your boyfriend will say, 'Turn it down real low'
You punch up the sun roof

And you roll down the window, slam that pedal to the
floor
Watchin' the what's wrong [unverified]
Shes havin' a good jour [unverified] It said, 'Love don't
let me no more'
(To all the girls I cheated on before)

I cheated on you, you cheated on me
And this is not the way that things are supposed to be
So tell me girl, is this for real or just an illusion?
I pinch myself to make sure that Wyclef ain't dreamin'

I cheated on you, you cheated on me
(To all the girls I cheated on before)
And this is not the way that things are supposed to be
So tell me girl, is this for real or just an illusion?
I pinch myself to make sure that Wyclef ain't dreamin'

I don't know much about philosophy
Play though, all I rest I know [unverified]
All I know, when I met you, in the streets, the air wasn't
so cold
It's like my whole world just changed

I'm like a ball with no chain, ground myself on the A-
train
Reality struck me, how could you love me
When you slept with another man?

I cheated on you, you cheated on me
And this is not the way that things are supposed to be
(To all the girls I cheated on before)
So tell me girl, is this for real or just an illusion?
I pinch myself to make sure that Wyclef ain't dreamin'

I cheated on you, you cheated on me
(To all the girls I cheated on before)
And this is not the way that things are supposed to be
So tell me girl, is this for real or just an illusion?
I pinch myself to make sure that Wyclef ain't dreamin'
(School is out now, school is out, nah, I'm sayin')

Nah, nah, nah, nah, I had to play hooky
Last Friday, 'cause she hurt me
Nah, nah, nah, nah, I lied to my mama
Last Friday, 'cause she hurt me

Nah, nah, nah, nah, I might play hooky
This friday, if she hurts me
Nah, nah, nah, nah, you ever play hooky
On a Friday, 'cause she hurts you?

Wyclef Jean
Salaam Remi
(Alright)
Rock and roll, hall of fame
Good night, good night
(Alright)
This is really good
