Egypt

I gotta sing for Egypt

This one is going for Egypt

Yeah, I...

I see the youths

With the scars on their faces

These are the scars of courage

From the ancient places

I see my sisters

I see their eyes

Through the veils

It's been two weeks

And their kids have run out of milk

[Hook]

This is not the exodus

Tell Pharaoh

Nobody is leaving

We ain't leaving

It's more like a genesis

This is the beginning of freedom

[Chorus]

Cairo wants freedom

The youth want their freedom

They singing revolution

And if the pyramids could talk they probably would say

???? ?????? ???? ???? ?

They want freedom

Cairo wants freedom

Egypt wants freedom

I'm talking about freedom

I see my brothers

Using the rocks for their weapons

They say the pharaoh must go

They want a peaceful solution

Yeah, I

I see the camels in the desserts

But they don't have no riders

The people have taken over
They are the survivors
Yeah I

[Hook]

And this is not the exodus
Tell pharaoh the people ain't leaving
We ain't leaving
It's more like a genesis
This is the beginning of freedom

[Chorus]

Cairo wants freedom
The youth want freedom
They say a time revolution
And if the pyramids could talk they would probably say
???? ?????? ???? ????
We want freedom
Egypt wants freedom
The youth want their freedom
The people want freedom

And Allah has not forgotten you
For he is grateful
Yeah, I
And the Lord will never forget you
He will grant you your freedom

I'm talking about freedom
He gave Moses his freedom
He gave Jesus his freedom
He gave Mohammed his freedom
He gonna give Egypt its freedom

[Hook]

And this is not the exodus
Tell pharaoh that the people ain't leaving
We ain't leaving
This is more like a genesis
This is the beginning of freedom

[Chorus]

Cairo wants freedom
Egypt wants freedom
The people want freedom
I'm talking about freedom

Freedom
One love to Egypt
