Yo, I'm happy to be in the south to set off my tour in the countryside

But who better to set it off for me than this man right here

Yo, this Kenny Rogers chillin' on the country side
With men like Wyclef, Jerry Wonder, Big Jack, Big Beast
And we gon' do something like this for you

You got to know when to hold 'em

(Yeah, yeah!)

Know when to fold 'em

(DJ's, DJ's!)

Know when to walk away

(Hip-Hop, Hip-hop!)

Know when to run

(Yeah, yeah!)

You got to count your dub-plates

(Ghetto, ghetto, ghetto)

Before you touch the turntables

(All hoods!)

'Cause if you run out of big tunes

That means your sound is done

(Y'all ready?)

You got to know when to hold 'em

Know when to fold 'em

(Soundbwoys)

Know when to walk away

Know when to run

(Hey, hey, hey, hey)

You got to count your dub-plates

Before you touch the turntables

(DJ's)

'Cause if you run out of big tunes

That means your sound is done

Get the Hell up! 'Clef said, ?Get the Hell up!?

Now throw your hands in the sky

Brooklyn in the back shootin' craps y'all whassup?

Ladies, lookin' hot and pretty

Doin' your thing in the club high saditty

Worldwide the gritty committee pity the fool that

Act in the midst of the calm, the witty

(You got to know when to hold 'em)
Y'all know the name! Same assassin from before
But the beat just changed a little who flip flows
That got women in they thongs gettin' on but not Sisqo
Select your squad team and your itch
Bey know my flow Muy Caliente, Fuego
No disrespect to soundbwoy, but you better step away
from me
Easily defeat measley MC's and tease you
Ease back squeeze two in your wig and breeze through

You got to know when to hold 'em
Know when to fold 'em
(Soundbwoys)
Know when to walk away
Know when to run..
(Hey, hey, hey, hey)
You got to count your dub-plates
Before you touch the turntables
(DJ's)
'Cause if you run out of big tunes
That means your sound is done

C'mon, c'mon
(Get the Hell up!)
Soundbwoys
('Clef said, ?Get the Hell up!?)
Yo
(Now throw your hands in the sky)

This combination gon' bust from Brooklyn to Shanghai
Feel the boogie boogie Henny got me tipsy tipsy
Kenny Rogers and Pharoahe Monch? No way, this can't
be!
48 tracks, country meets rap
Put this on full blast, I'm about to break all formats
My destiny is to lead while y'all follow
This is show time and I'm live at the Apollo

You got to know when to hold 'em
(Soundbwoys)
Know when to fold 'em
(MC's)
Know when to walk away
(Hey, hey, hey, hey)
Know when to run
You got to count your dub-plates
Before you touch the turntables
(DJ's)

'Cause if you run out of big tunes
That means your sound is done

You got to know when to hold 'em
Know when to fold 'em
(Soundbwoys)
Know when to walk away
Know when to run
(Uh, uh, uh, uh, uh)
You got to count your dub-plates
Before you touch the turntables
(DJ's)
'Cause if you run out of big tunes
That means your sound is done
