

# Wyclef Jean "King & Queen"

Visit "[King & Queen](#)" on MotoLyrics.com

**(feat. Shakira)**

*[Intro: Wyclef Jean]*

I'm ready, I'm ready  
Check, 'Clef, to, rock  
Hey I'm dancin with this girl, you find your own girl  
(Oh-own girl, oh-own-girl, oh-own-girl, oh-own-girl)  
It's still no fightin tonight though homey  
Geyeah, it's all love tonight

*[Verse One: Wyclef]*

My love good for all season, winter summer fall spring  
I got de {?} flow, ting-a-ling-a-ling  
Columbian swing when Shaki' do her t'ing  
One bright feed de power like Lords of the Ring  
Many fight fi the crown, but there's only one King  
Many girls want the title, but there's only one Queen  
One King for the Queen, one Queen for the King~!  
I don't wanna wake up if this thing is a dream

*[Chorus: Shakira]*

If you have no home, I'll be your shelter  
Baby don't be scared  
If you lost your sight, I would be your eyes  
Lead you in the spotlight  
If you've enough time, I will be one time  
Only to be with you tonight  
But ever is never, never enough time  
To make it forever mine

*[Verse Two: Wyclef]*

Time after time, you get better like fine wine  
I look into your eyes and see your soul in the skyline

Call me Mr. Freeze I feel a chill in my spinline  
Cause every time you touch me, it's like a divine sign  
Many fight fi the crown, but there's only one King  
Many girls want the title, but there's only one Queen  
One King for the Queen, one Queen for the King~!  
I don't wanna wake up if this thing is a dream

*[Chorus]*

*[Verse Three: Wyclef]*

And I don't wanna, put out this fire  
Transition {?} mamma  
I feel my place where the soul get higher  
Nights get cold I gotta hold ya  
 {?} slept in the middle of the sofa  
 {?} and a loafer, but we had each other  
Christmas throw Santa down the chimney  
Felt like Pookie from New Jack when he got the turkey  
Cause we those ReFugees, survive the tsunami  
So ain't nobody gonna tell me this ain't what I need

*[Chorus]*

*[Outro: Wyclef]*

Shaki', 'Clef, Jerry Wonder what we tell 'em boy  
(Find your own girl, find your own girl, find your own  
girl, find your own girl)  
Yo Cliff, let the horns go  
(Find your own girl, find your own girl, find your own  
girl, find your own girl)
