Gather wealth, keep spinning, I can feel the gravity
Trying to pull me down but it can't hold me
The world keep spinning, I can feel the gravity
Trying to pull me down but it can't hold me

At age 5 got kicked out of DR, revolution from the start
Baby girl like a doll, next stop ' luxury all
Parlez vous Francais? Oui, monsieur, I do
But if you stare at me too long I'll put a wicked spell on
you
Yeah, you know I'm it, I can see I'm on your wish list
Like the drama boy waiting for gifts on Christmas

Us art girls we're terrible, we're dangerous
But you can't stay away from my '. 'cause you love my
main dish
He love my main dish
He love my main dish
Us art girls we're terrible, we're dangerous
But you can't stay away from my '. 'cause you love my
main dish

Gather wealth, keep spinning, I can feel the gravity
Trying to pull me down but it can't hold me
The world keep spinning, I can feel the gravity
Trying to pull me down but it can't hold me

I'm an exemplary combination, killer DNA formation
Mix race, pretty face, we embody all the nations
Love me, love me, love me
Tell me, tell me, tell me sailor, what can you see?
Gonna take a lot of summon to get to me
I'm the little pretty mama under the sea
Listen to me now
Yeah, I can feel it in the air
The storm's getting closer, got a tropical flair

Us art girls we're terrible, we're dangerous
But you can't stay away from my '. 'cause you love my
main dish
He love my main dish

He love my main dish
