Pussycat, pussycat, I love you  
Yes, I do  
You and?

One, two  
We gone send this one out to all the pussycats  
Strugglin' out there, let's go

Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa

Pussycat, lay back, take a sip of this yak  
Feel me on this track  
Girl, let me spell out pussycat  
You're the P U S S Y C A T  
That's Clef in the drop Lex  
Keep the prophylactics for safe sex

Manicure, pedicure  
Human hair from the Korean stores  
Ghetto cats, got your back  
I keep a gat for the alley cats  
Sexy cat, rough cat  
Doggy style on the floor mat  
But make sure you wear your mitten  
Or pay child support for your kitten

What's new pussycat?  
Whoa, whoa, whoa, whoa

Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, hold up, wait a minute

To all my hood kitties  
Don't you pull your claws  
There'll be none of that on the dance floor  
For the battle cats I got metaphors  
You don't wanna test  
You got sweaty paws

Which part you don't understand  
Don't let it be another cat scan  
Talk a ice when my shine reacts  
I leave you blind wit a cataract

Aye yo  
But did anybody see my bobcat  
Anybody  
It's been three weeks and we still haven't spoken  
Oh, Lord  
She found some mitten inside of my glove  
compartment  
I said, "It wasn't mine"  
She said, I'm a cat that was lyin'

So, hey kitty-kitty, meet me in the city  
You know dogs we always on the gritty gritty  
Freaky deaky in the pretty puddy-puddy  
So baby girl, let me ride the pony pony

What's new pussycat?  
Whoa, whoa, whoa, whoa

Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa

Yo, where my freaky cats?  
Ready to do anything  
Put the blind fold on  
Girl, let me feel your tongue ring, bling  
Now I'ma quick cat  
Before your mama get back, cat  
Let me hit this with the quickness  
Feel my physical I'm fitness

Aye, baby turn the a/c on  
It's hot up in here  
The way I stroke your fur

I make you wanna purr up in here  
Sweat's coming down your back  
Like drops of rain  
Say my name  
Say my name, baby

See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa  
See that pussycat  
Whoa, whoa, whoa

To all my independent cats  
Raisin' kittens on through own their own  
Oh, hold your own girl  
And to all my stray kittens  
I got plenty mittens  
And we can get it on, yeah yeah

All night long  
All night long  
All night long  
All night long

Whoa, whoa, whoa, whoa  
Whoa, whoa, whoa, whoa
