[Intro:]

Mister Pay Attention

S E P

Yea

See? One thing about what we do

We pave the way

One thing fo sho

Ya'll niggaz in the way

[Hook:]

Say all the real niggaz feel it

Real niggaz, wuddup? Wuddup?

Say all the real niggaz feel it

Fake niggaz sit the fuck back and listen

[Bridge:]

Say all the real niggaz feel it

All the fuck niggaz threaten

I'm just trappin the money, man you can't tell me  
nothing

Hold on, this the part when we break it down, down

Break it down

This the part when we break it down, down

Break it down

This the part when we roll it up, yea roll it up

Man right, we don't give no fuck

[Verse:]

Aye tell yo lady quit lookin

Man she so disrespectful

Yea she see I'm so special, I'm so young, black  
successful

I got that kush from a breakfast, with a side of OJ

I know some Detroit playas but know them niggas don't  
play

It's about damn time niggas peek this

Big booty, nice smile on a freak bitch

That's my weakness, niggas sneak diss

We can't tell some free mail so get air

On the low, I just chill, get my dough

Are you real? Do you know?  
Who yo friend? Who yo foe?

Aye all the real niggaz feel it

[Outro:]

You know who yo friend or yo foe,  
Man that's some real talk right there man  
Jordan Blue, respect!  
I see you man  
That's how you feel, hah?
