Intro:

Wyclef:

I'm just sittin' here playin' the guitar

Claudette Ortiz:

City high, Claudette, Clef

Verse 1:

(Wyclef)

Ehh, excuse me

If you see me screamin'

Deep in my mind

Im only dreamin'

'cause if i wake girl

And your not by my side

I feel like half of me

Is no longer alive

So please shorty,

Before you walk out that door, booby

Would you listen to my song?

(Claudette)

If only, I give you one last chance

With the devil you can no longer advance

You've got to be faithful

So we can be Fruitful

Build a family

And follow God?s destiny

So just before I run to the block, papi

I might listen to your song

(Wyclef)

OH, before you walk out that door listen

Chorus: x1

W: They say two wrongs don't make a right

C: Don't make it right

W: So if I'm wrong, I ain't tryna fight

I?m tryna have some dinner wit some candlelight

C: Yeah, yea

W: Lay up in tha bed and make love all night

C: So papi I won?t leave

Maybe I?ll just stay

But promise me that you?ll do tha same

W: Girl Ima love you, like I never loved you

C: Touch me, like you never touched me

W: Yo, if you give me tha chance girl, I?m gone show

you

Verse 2:

(Claudette)

Now baby, understand

(Wyclef)

I understand

(Claudette)

That I forgive you

But I ain't gone forget

That you brought me a reason

(Wyclef)

Baby, baby, baby, baby

But I have grown

From a thug into a man

Built my castle with bricks,

And no longer with sand

Oh girl

(Claudette)

Then just before I run to the block baby,

I might listen to your song

(Wyclef)

OH, before you walk out that door listen

Chorus: x1

W: They say two wrongs don't make it right

C: Don't make it right

W: So if I'm wrong, I ain't tryna fight

Bridge:

(Claudette)

I'm so used to rain

That I can't see the sunshine no more

I'm so used to the pain that the

The sickness feels like a cure

(Wyclef)

But only if you gave me the keys to your soul

And let me in,

Im gonna love you

Over

(C) Over

(W) And over

(C) Over

(W) Again
