(feat. Eve)

Ever since you came back around the way  
I ain't tryin to be a player  
So many things that I want to say  
You know I got a little wiser  
I don't wanna lose your love tonight  
I don't wanna lose your love tonight  
I ain't got many friends i can talk to  
No-one's around when I'm in trouble  
You know I would do anything for you  
We don't have to keep it under cover  
I don't wanna lose your love tonight  
I don't wanna lose your love tonight  
L-O-V-E Y-O-U  
I ain't tryin to lose your love tonight  
I just wanna make you feel alright  
L-O-V-E Y-O-U  
I'm just hoping you could spend the night  
Kiss you, love you, hold you tight  
Ever since you came back around the way  
I ain't tryin to be a player  
So many things that I want to say  
You know I got a little wiser  
I don't wanna lose your love tonight  
I don't wanna lose your love tonight  
Ain't no need girl please close the door  
and don't forget what I told you  
I wanna do you right cause I did you wrong  
Another shoulder to cry upon  
I don't wanna lose your love tonight  
I don't wanna lose your love tonight  
L-O-V-E Y-O-U  
I ain't tryin to lose your love tonight  
I just wanna make you feel alright  
L-O-V-E Y-O-U  
I'm just hoping you could spend the night  
Kiss you, love you, hold you tight

[EVE:]

The way my heart beats for you  
Mention of your name

One touch never enough  
You drivin' me insane  
Swing me take you back  
Who am i to blame but myself  
Need you in my life it's simple and plain  
Crazy nights arguments  
Running towards the door  
Lying to myself, not wanting you no more  
No matter what we been through  
You're the man that i adore  
You're the only one i need in this world, see  
People used to tell me i was crazy  
Told me not to give in  
Told me that you would never love me  
All i did is pretend  
I told them mind their business  
Cause they not in my position  
When i said that i was in love  
They said i was trippin  
I cut the haters off and i got into my man  
Cause i take him for all he is  
And he takes me as i am  
The way i feel about him  
It was God's perfect plan  
The only one i need and i'm his girl  
So let me hear you say  
Ever since you came back around the way  
I ain't tryin to be a player  
So many things that I want to say  
You know I got a little wiser  
I don't wanna lose your love tonight  
I don't wanna lose your love tonight  
L-O-V-E Y-O-U  
I ain't tryin to lose your love tonight  
I just wanna make you feel alright  
L-O-V-E Y-O-U  
I'm just hoping you could spend the night  
Kiss you, love you, hold you tight
