Yeah

This box of chocolate and dozens of roses
I wasn't looking back around the way
I didn't try to be a player

So many things that I wanna say
You know, I got a little wiser
I don't wanna lose your love tonight
I don't wanna lose your love tonight

I ain't got many friends, I can talk to
No-one's around when I'm in trouble
You know I would do anything for you
We don't have to keep it under cover

I don't wanna lose your love tonight
I don't wanna lose your love tonight
Come on

LOVE YOU

I ain't tryna lose your love tonight
I just wanna make you feel alright
LOVE YOU
I do hope you can stay the night
Kiss you love you hold you tight

I wasn't looking back around the way
I didn't try to be a player

So many things that I wanna say
You know I got a little wiser
I don't wanna lose your love tonight
I don't wanna lose your love tonight

Ain't no need to leave girl, please close the door
And don't forget what I told you
I wanna do you right 'cause I did you wrong
Another shoulder to cry upon

I don't wanna lose your love tonight
I don't wanna lose your love tonight

Come on

LOVE YOU

I ain't tryna lose your love tonight
I just wanna make you feel alright

LOVE YOU

I do hope you can stay the night
Kiss you love you hold you tight

The way my heart beats for you mentioning your name
One touch never enough you're driving me insane
Swing bee, take me back, who would I blame but
myself
Need you in my life simple and plain

Crazy nuts, argument, running towards the door
Lying to myself not wanting you no more
No matter what we've been through you're the man that
I adore
You're the only one I need in this world

See, people used to tell me I was crazy
Told me not to give in
Told me that you'll never love me
All the business we pretend

I told 'em mind their business
But they're not in my position
When I said I was in love
They said that I was tripping

I cut the height as often
I got into my man
'Cause I taking for all the years
He takes me as I am

The way I feel about it
It was God's perfect plan
You're the only I need, I'm not these girls
So let me hear you say

I wasn't looking back around the way
I ain't tryna be a player
So many things that I wanna say
You know I got a little wiser

I don't wanna lose your love tonight
I don't wanna lose your love tonight
Come on

LOVE YOU

I ain't tryna lose your love tonight
I just wanna make you feel alright
L O V E Y O U
I do hope you can stay the night
Kiss you, love you, hold you tight
