Some live for the bill, some kill for the bill  
Yeah, she wined for the bill, grind for the bill  
(She used to be the sweetest girl)  
Some steal for the bill, if they got to pay they bill  
(She used to be the sweetest girl)  
Tonight Wyclef, Akon, Weezy on the bill

High school she was that girl  
That make me do the hula hoop around the gym  
(Just to get a peek again, she's a 10)  
High school she was that girl  
That make me do the hula hoop around the gym  
(Just to get a peek again, she's a 10)

Never thought she would come and work for the  
president  
Mr. George Washington  
(Where my money at?)  
She thought he'd call  
(Where my money at?)

She had a good day, bad day, sunny day, rainy day  
All he wanna know is  
(Where my money at?)  
Closed legs don't get fed, go out there and make my  
bread  
All he wanna know is  
(Where my money at?)

She ended up in a road car, bruised up, scarred hard  
All he wanna know is  
(Where my money at?)  
She thought he'd call  
(Where my money at?)

See, I'ma tell you like you told me  
Cash rules everything around me  
Singin' dollar, dollar bill yâ€¢â€¢â™ all  
(Dollar, dollar bill yâ€¢â€¢â™ all)  
Singin' dollar, dollar bill yâ€¢â€¢â™ all  
(Dollar, dollar bill yâ€¢â€¢â™ all)

~Cause I'ma tell you like you told me  
Cash rules everything around me  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)

Pimpin' got harder ~cause hoes got smarter  
On the strip is somethin' they don't wanna be a  
part of  
Rather be up in the club shakin' for a thug  
Get triple times the money and spendin' it like  
they wanna

They got they mind on they money, money on they  
mind  
They got they finger on the trigger, hand on the nine  
See every day they feel the struggle but stayin'  
on they grind  
And ain't nobody takin' from us and  
that's the bottom line

But I know there's a drop in the block  
You move slow, you gettin' pressure from cops  
You don't know how not to lay low  
~Cause 25 to life's no joke

To all my real gorillas thuggin'  
On top of corners every day strugglin'  
All the beautiful womens gettin' money  
Washin' them dollar bills like laundry

See, I'ma tell you like you told me  
Cash rules everything around me  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)

~Cause I'ma tell you like you told me  
Cash rules everything around me  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)

Money, money, money, money  
Money, money, money, money  
It drives the world crazy  
She used to be  
She used to be the sweetest girl

She used to be the sweetest girl ever, forever  
Now she like sour amaretto  
She wears a dress to the T like the letter  
And if you make it rain, she will be under the weather

She used to run track back in high school  
Now she tricks on the track right by school  
She take the loss 'cause she don't wanna see  
her child lose  
So respect her or pay up for the time used

And then she runs to the pastor  
And he tells her there will be a new chapter  
But she feels no different after  
And then she asks him

See, I'ma tell you like you told me  
Cash rules everything around me  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)

'Cause I'ma tell you like you told me  
Cash rules everything around me  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)  
Singin' dollar, dollar bill y'all all  
(Dollar, dollar bill y'all all)

Some live for the bill, some kill for the bill  
(Where my money at?)  
She wined for the bill, grind for the bill  
(Where my money at?)  
Some steal for the bill, if they got to pay the bill  
(Where my money at?)
