Hear my song as I ride along

I'm a Happy Rovin' Cowboy

Herdin' the dark clouds out of the sky

Keepin' the heavens blue

No where to go nothing to do

Iã, 'm a happy rovinã, ' cowboy

Let me ride that long trail down to the end

Where the skies are always blue

I aint got a dime; I'm just spendin' my time

I'm a Happy Rovin' Cowboy

Let me sing my song till they call me home

To the land beyond the blue
