A Little Bit Of Love (Goes A Long Long Way)
Words and Music by Kostas and Marty Stuart
Got a wishbone in my pocket and money to burn
I ain't got no worries ain't got no concerns
The feeling's goin' through me from my fingers to my toes
'Cause my baby loves me he let's ev'ry body know
(Chorus)
A little bit of love
Goes a long, long way
A little bit of love
Gets you through the day, yeah
A little bit of love
Makes you feel alright
Gets you through the night
Now let me tell you, my heart's so busy jumpin' that it skips a beat
Got me runnin' round in circles, dancin' in the street
Now, you might think I'm crazy, I don't care
I'm a girl about the town and I'm walking on air
(Repeat Chorus)
You got me shakin' down to my knees
Baby don't you stop, I'm beggin' please, please, please
(repeat chorus)
