A poor boy's chances for pretty girl's glances're
sometimes very few
But I have no money if you'll be my honey here's what
I'll offer you

Well I'll give you love that's above and beyond the call
of love
And I'll never ever make you cry
Well I'll give you love that's above and beyond the call
of love
And love's something that money can't buy
[guitar]
We met by chance and I knew at a glance I'd found my
destiny
Now I want to carry you off and marry you if you just
agree

And I'll give you love...
Yes love's something that money can't buy
Oh love's something that money can't buy
