Can't you tell my love's a growin' can't you feel it ain't  
showin'

Though you must be a knowin' I've got a big big love  
It's not the kind to be concealin' just the kind to be  
revealin'

It's not a little bitty feelin' I've got a big big love

I think it's time we done some walkin' I think it's time we  
done some talkin'

Well there's a great big moon above but we've got a  
big big love

This is not infatuation this is a true love sensational  
It's not my imagination I've got a big big love for you  
[ steel ]

Can't you tell my love's a growin'...
