BREAKIN' THE RULES

WRITER Hank Thompson - Billy Gray - Al Blasingame

COPYRIGHT 1963

Breakin' the rules every time I hug and kiss you darling  
While you wear another's name  
If you're breakin' the rules in any kind of game you're  
playing reckless  
And taking chances just the same  
Can it be a sin to love you like I do  
And we'd just be called a pair of fools  
If it's so wrong to want to be with you my darling  
Then I guess I'll go on breakin' rules  
Can it be a sin...
