COME ONE

Writer Wynn Stewart

Mmm-mm-mm-mm
Mmm-mm-mm-mm
Come one, I'm givin' you the come on
Come on, let me hold you tight
Mmm-mm-mm come one
I'm givin' you the come on
Come on, be my baby tonight
Yeah, pretty baby sittin' over there
You got pretty eyes and wavy hair
I got a lotta lovin' that I wanna share
Hey pretty baby, come over here
Come on, I'm givin' you the come on
Come on, let me hold you tight
Mmm-mm-mm-mm
Come on, I'm givin' you the come on
Come on, let me hold you tight
Mmm-mm-mm come one
I'm givin' you the come on
Come on, be my baby tonight
Yeah, I got two lips that never told you
How much my arms are achin' to hold you
And if my arms ever get to hold you
They'll never ever let you go
Mmm-mm-mm come on
I'm givin' you the come on
Come on, be my baby tonight
Mmm-mm-mm-mm
Mmm-mm-mm-mm
[Fade]
