Oh the games people now every night and every day  
now  
Never meaning what they say now never saying what  
they mean  
Oho they wile away the hours in their ivory towers  
Till they're covered up with flowers in the back of a  
black limousine

Lotten da la da da da lotten da la a da da dee  
Talkin' bout you and me and the games people play

Oh we make one another cry break a heart then we say  
goodbye  
Cross our hearts and we hope to die that the other  
one's to blame  
People walking up to ya singing glory hallelujah  
And they're tryin' to sock it to ya in the name of the  
Lord

Lotten da la da da da...  
[ steel ]  
Oh look around and tell me what you see what's  
happening to you and me  
God grant me the serenity to remember who I am  
Some give up their sanity for their pride and their  
vanity  
Turn their back on humanity and they don't give a da  
da da da

Lotten da la da da da...
