I didn't think you were but now I know you are  
A sunshine of my world my bright and morning star  
You changed me in the twinkling of an eye to what I am  
A man who's life you filled with love as if by heaven's  
planned

And you're heavenly so heavenly  
Being loved by you makes this world heaven to me  
And I hear church bells ring I hear angels sing  
When you're with me cause you're so heavenly  
[ steel ]  
I didn't think I could but now I know I can  
Forget the loneliness that I knew and be a happy man  
The heaven blessed me with your love and made my  
life complete  
The world is better place to live when true love is so  
sweet

And you're so heavenly heavenly...  
Being loved by you is so heavenly
