HIGH HEAVEN

Writer Dale Noe

Copyright 1971

We fell in love and now we live in high heaven
And we're just as happy as can be
It's just like a dream up here in high heaven
Ever since you fell in love with me
We found our treasure at the end of the rainbow
Each day we had more golden memories
We fell in love and now we live in high heaven
And we're just as happy as can be
We found our treasure at the end of the rainbow...
And we're just as happy as can be
