It's a beautiful day even though it's raining
It's a beautiful day though the sun's not shining
It's a wonderful world who could be complaining
Last night you came home now I'm not alone it's a
beautiful day

I opened the door and there was heaven
Running to me here's all I can say anyway
It's a beautiful day even though it's raining
Last night you came home now I'm not alone it's a
beautiful day

[steel]

It's a beautiful day even though it's raining...
I opened the door and there was heaven...
Last night you came home now I'm not alone it's a
beautiful day
