LET ME TALK TO YOU

Writers Danny Dill and Don Davis

Copyright 1957

Just one more dance just one more chance so I can talk
to you

We've both have paid don't be afraid just let me try to
prove

I would do anything you want me to

Just one more dance just one more chance let me talk
to you

Don't go too far with that crowd at the bar

That's not the way to win let's fall in love again

Give me your heart and let me start to build our life
anew

Just one more dance just one more chance let me talk
to you

Just one more dance just one more chance let me talk
to you
