Wylie Gustafson (Two Medicine Music) BMI

Manolito el caballo bonito, born to carry the saddle
Manolito el caballo bonito, el gato at cuttin' the cattle
Barely stands 14 hands, but he sabe the business
bueno
Manolito el caballo bonito, watch him dance to and fro

Manolito el caballo bonito, born on el llano de Canada
Manolito el caballo bonito, the pride of el caballada
When put to the test he'll give you his best, mi amigo
mi muchacho
Manolito el caballo bonito, watch him dance to and fro

Manolito el caballo bonito, el nieto of the great
Travalena
Manolito el caballo bonito, as quick as the wild javelina
With his tail in the sand, he's in command, he sabe the
business bueno
Manolito el caballo bonito, watch him dance to and fro
