A Little Bit Of Love (Goes A Long Long Way)
Words and Music by Kostas and Marty Stuart
Got a wishbone in my pocket and money to burn
I ain't got no worries ain't got no concerns
The feeling's goin' through me from my fingers to my toes

'Cause my baby loves me he let's ev'ry body know (Chorus)

A little bit of love

Goes a long, long way

A little bit of love

Gets you through the day, yeah

A little bit of love

Makes you feel alright

Gets you through the night

Now let me tell you, my heart's so busy jumpin' that it skips a beat

Got me runnin' round in circles, dancin' in the street

Now, you might think I'm crazy, I don't care

I'm a girl about the town and I'm walking on air

(Repeat Chorus)

You got me shakin' down to my knees

Baby don't you stop, I'm beggin' please, please, please

(repeat chorus)
