Road blocks, red lights
Dang Breaks, that's life
People say what they want
I don't care it's just talk

Go let's start this slow

Chorus:

I ain't gonna let'em hurt me now
They ain't gonna break me down
I ain't gonna let'em kick me around
No one's gonna take my crown
Hey nothin's gonna break me down

Well i got my break against the wall
Cities rise, cities fall
Reckless ride, wild adbandon
I'll be the one left standin

No you can't roll this stone

Repeat Chorus:

I ain't gonna let'em hurt me now
They ain't gonna break me down
I ain't gonna let'em kick me around
No one's gonna take my crown
Hey nothin's gonna break me down

Bridge:

I might trip up and i might stumble
But you won't ever see me crumble
Oh,oh
I ain't gonna let'em hurt me now
They ain't gonna break me down
I ain't gonna let'em kick me around
No one's gonna take my crown

Repeat Chorus:

I ain't gonna let'em hurt me now
They ain't gonna break me down
I ain't gonna let'em kick me around
No one's gonna take my crown
Hey nothin's gonna break me down

Nothin's gonna break me down
No no no
NO no no
