Visit "[Testify To Love](#)" on MotoLyrics.com

All the colors of the rainbow
All the voices of the wind
Every dream that reaches out
Reaches out to find the love he gave

Every word of every story
Every star in every sky
Every corner of creation
Lives to testify

For as long as I shall live, I will testify to love
I'll be a witness in the silence, says the words are not
enough
With every breath I take we'll give thanks to God above
For as long as I shall live, I will testify to love

From the mountains to the valleys
From the rivers to the sea
Every hand that reaches out
Every hand that reaches out to offer peace

Every sinful act of mercy
Every step to kingdom come
All the hope in every heart
Will see what love has done

For as long as I shall live, I will testify to love
I'll be a witness in the silence, says the words are not
enough
With every breath I take, I will give thanks to God above
For as long as I shall live, I will testify love

For as long as I shall live, I will testify to love
I'll be a witness in the silence, says the words are not
enough
With every breath I take, I will give thanks to God above
For as long as I shall live, I will testify love
