Hmm

If you think you got your man
In the palm of your hand
You better listen, hmm

And if you think you got it made
And his love will never fade
You better listen

Oh, she's out there too
And she's a whole lot better lookin' than me and you
And she can do things to a man
You never dreamed a woman could do

If you think you'll keep your man
With a golden wedding band
You better listen, hmm

And if you're sittin' there at home thinkin'
How good you turn him on
You better listen

She's sweet when she talks
And she bounces all over when she walks
And she's forgot more about a man
Than your sweet mama ever told you

I'm talkin' to you
Woman to woman
Heart to heart
I'm singin' straight to you
Hmm

Just woman to woman
Right from my heart
And you can take it or leave it
Ahh, but it's true
Woman to woman
Me to you

Just woman to woman

Right from my heart
And you can take it or leave it
Ahh, but it's true
Woman to woman
Me to you
