GO!

Hello, hello there
Are you doing fine?
Is everything OK,
I don't know what to say.
I've know a long time,
But now you're stuck in my mind.
You were just another girl,
But that is all behind.

I guess it's right,
I guess it's true,
When I see the light in those eyes of you.
I guess it's right,
I guess it's true,
I love you!

Hello, hello there
Can I look into your heart?
Am I in trouble now,
Should I've been wondering how,
We could ever be a part.
I wanna hold you in my arms,
Spend all my days with you.
Now I have one more question:
Do you want it too?

I guess it's right,
I guess it's true,
When I see the light in those eyes of you.
I guess it's right,
I guess it's true,
I love you!

Ooh..

I guess it's right,
I guess it's true,
When I see the light in those eyes of you.
I guess it's right,

I guess it's true,
I love you!

Now I know what to do,
And that is to love you.
There's only one thing I wanna do,
Take a look in those eyes of you, of you!
I love you!

Oohâ€¦
