I knew I was bein' threatened
Do you think it's worth holdin' out?
I mean I've heard some pretty ugly things
About those guys, ugly stories

Watch them flee, watch them flee
Rap up, watch them flee
Hip-hop hits
And you do it like this?

It's goin' down, the rhythm projects
Around the next sound
Reflects the complex hybrid dialect now
Detect the mesh of many elements compressed down
The meltin' pot of a super-future X-style

The combination of a vocal caress
With lungs that gasp for breath from emotional stress
With special effects and a distorted collage
Carefully lodged between beats of rhythmic barrage

It's goin' down, the logical progression on a the
time line
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey

Now it's goin' down, a logical progression on
the time line
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey, now it's
goin' down

Put, put, put it up, it said it goes like this
And you do it like this? It's goin' down
Put, put it up, it said it go-go-goes like this
And you do it like this? It's goin' down

Once again it is composed sentences all together
venomous
The four elements of natural force

Projected daily through the sound of the source
Everybody on board with this blend the sword with the
pen

The mightiest is the weapons swingin' right from the
chin
The elevate of mental states long gone with the wind
To defend men for shoddy imitation pretends
It's goin' down

Stalence emulation readily, trekkin' through the
weaponry
Of the pure pedigree, cleverly seein' through whatever
is ahead of me
Whatever the weather be, we invent the steadily
It's goin' down to sub-terrestrial high

I rhyme regiment that's callin' the shots
Execution of collaborative plots
Ready to bring the separation of style to a stop

It's goin' down, a logical progression on a the
time line
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey, now, it's goin'
down

Put, put, put it up, it said it goes like this
And you do it like this? It's goin' down
Put, put it up, it said it goes like this
And you do it like this? It's goin' down

X-men 'bout to blast of world wide, yo,
it's request only
X- men 'bout to blast of world wide, it's
built from scratch
Album in stores soon, 'bout to blast off world wide
And you do it like this? It's goin' down

Put, put, put it up, it said it goes like this
And you do it like this? It's goin' down
Put, put it up, it said it goes like this
And you do it like this? It's goin' down like this
