See clearly; make way for the parade of the guiltless.  
See with compassion.  
Settle down now, at the bottom,  
Show your best fashion.

Time's running out of options, stop it, do we have  
time to breathe?  
We walk by with a swagger so easily seen.  
Here's the truth; it's quite simple for both of us,  
Keep your feet grounded; the lungs that impress you  
are out of air.

(Caught on your) [6x]  
Put on your best [6x]  
Cause to you, timing moves on.

Time's running out of options, stop it, do we have  
time to breathe?  
We walk by with a swagger so easily seen.  
Here's the truth; it's quite simple for both of us,  
Keep your feet grounded; the lungs that impress you;  
(Caught on your) [3x]  
Put on your best [3x]  
Cause to you, timing moves on.

(Put on your best)  
The nurse had a night gown, tied at the waist.  
The buttons are the only means of keeping you safe.  
We'll save you, hands tied and battered inside.  
We'll save you, hands tied; hands tied.

Time's running out of options, stop it, do we have  
time to breathe?  
Walk by; walk by, with a swagger so easily seen.  
Here's the truth; it's quite simple for both of us,  
Keep your feet grounded; the lungs that impress you  
are out of air; out of air!!

Are we; are we; are we; are we...  
Eternal? [6x]
