you just came out the door  
too bad i can't see your face no more  
found the letter on the sheets  
that read you don't wanna be with me  
tears ran down my face  
as lonleyness took your place  
took away the pain a bit on my tounge  
never thought i'd be alone soo young

chorous-:

what you see is what you get  
still i have no regrets  
what you get is what you see  
can't make you wanna be wit me  
though i can't get about you yet  
still i have no regrets  
what you get is what you see  
gotta want me for me

And....

everythang's down the stairs  
now i found my heart soo scared  
realize what this could  
all of what has become of me  
though you ain't wait for me ta say  
you're better of without me anyway  
althoughmy brand new life has begun  
still i never thought this day would come

(Chourous)

lookin out the window i  
remember all those lonley nights  
they're no longer filled with fear  
im doin fine although you CAN'T BE HERE

(Chourous)

ha ha....  
ha ha....  
ha ha....  
hmm....
