[X-Raided]

Once again it's that nigga from the deuce four  
Fuck the sicc, it's time to get with this hardcore  
It's Sac-Town's most wanted, X muthafuckin Raided  
Nine one six most playa hated  
Remember Me? That nigga that brought you "Psycho  
Active"  
Put Black Market on the map with that psycho rap shit  
That was then, and this is now  
Don't take it personal nigga  
I'm bout my business now  
I thought y'all muthafuckas knew I can't be stopped  
Up in the peniteniary but tapes still drop  
Who would've thought I'd be back?  
Takin' this shit up to another level  
And rehabilitated X-Raided the muthafuckin' rebel  
Time to, settle the score like the Fugees  
Bitch ass niggas in Sac-Town wanna do me  
Back down to thee, what?  
It's my duty to provide the...  
Shit that makes niggaz load up their rugers and ride  
Cuz  
Get in your hooptie if you from the four  
And show these niggas how we represent Garden  
Blocc  
When it's time to roll  
We put it down, killin' bitches in the drama too  
Spontaneous, never know what the fuck I'm gonna do  
Simultaneous niggaz hit ya spots  
With miscellaneous weapons  
AR-15's and double digit glocks  
You muthafuckas shoulda known  
You underestimated X-Raided so now it's on nigga

[Chorus]

Tell me who them muthafuckas wanna kill the most?  
X-Raided loc but they never come close  
Why do muthafuckas wanna smoke me?  
Cause I put in major work on their homies  
Yeah, who them muthafuckas wanna kill the most?  
X-Raided loc but they never come close  
Why do muthafuckas wanna smoke me?

Cuz I put in major work on their homies, yeah, yeah

[X-Raided]

I know you niggas thought the Loc was through  
But X-Raided can't be underestimated I thought you  
knew  
So now I'm back up in your ass with some new shit  
I shipped them fake ass niggas and got a new clique  
Sac-Town ain't no love lost  
But hey y'all, now the X is back to fade y'all  
I'm on the cover of Murder Dog with a mean mugg  
And I'm at the top of the twenty sack in forty eighty  
baby  
That Northern Cali love  
And muthafuck what you thought it was  
Extremely wicked niggas call me Nefarious  
With a reputation for lyrical decapitation  
Reputed to be the hardest in town and is undisputed  
With a flow like fluid  
I can do it any way I wanna do it  
Hit you with a twist or slow it down and kick some G shit  
X-Raided can't be faded, stay in your place  
Recognize game when it's in your face, nigga

[Chorus]

Who them muthafuckas wanna kill the most?  
X-Raided loc but they never come close  
Why do muthafuckas wanna smoke me?  
Cause I put in major work on their homies  
Tell me who them muthafuckas wanna kill the most?  
X-Raided loc but they never come close  
Why do muthafuckas wanna smoke me?  
Cuz I put in major work on their homies, nigga
