[Intro: Sicx, (X-Raided)]

And you don't stop (And you don't stop)
And you don't stop (And you don't stop)
And you don't stop, X-Raided and you don't stop

[X-Raided]

Straight goin on a warpath
Takin niggaz out like it aint shit
You can't cope with the X-Locc? Go on and get
A nigga gotta be
Don't even try to be a friend of me
You just want a piece of me
I know what I see through my eyes
I see another black brother livin life streetwise
Makin dollars like a dope man
Makin money anyway that a nigga can
Takin your shit and sellin drugs
Gettin drunk, Saggin Levis, Lookin like a thug
Hangin with my niggaz at the spot
The spot's hot, so I'm lookin out for cops
And I spotted one
Told my Trip to slap that clip in the gun
9 double m, The U-Z-I
You ask, Why? Cause a nigga aint gonna die
Like a sucka, I'm goin out sprayin
Lettin fools know X-Raided aint playin
A murder? Yeah, I had somethin to do with it
Cause I'll shoot your punk ass in a minute

[Hook: Sicx, (X-Raided)]

And you don't stop (And you don't stop)
And you don't stop (And you don't stop)
And you don't stop (And you don't stop)
Lynch Hung and you don't stop

[X-Raided]

People always ask why I act this way
I say, "cause I'm a villain like my homeboy Ray"
A straight lunatic, A little schizo
A male hoe, A muthafuckin psycho
Killin punk niggaz like flies
You piss me off, Then everybody dies

X aint the one to ludicrous
Any muthafucka that I wanna diss, I'm gonna diss
It might be you, If you on the shit list
Instead of uncle, Imma make you say Triple Sicx
And make you suck four dicks
In other words, You can get the Duck Sick
And you better do it good
Choke this dick, Make me nut real quick
Twenty seconds like muthafuck
It feels good like a muthafuck, So bitch suck
It taste like chocolate, That's the nickname
Doggy style, I'm known to inflict pain
Makin hoes feel real swell
A nigga with a mind like mine needs to go to hell
Where else can a nigga go? (Nowhere)
In heaven, The muthafuckaz don't allow psychos
Now the book is closed
A fool like me killed all them hoes
Cause I'll kill a muthafukin bitch

[Hook: Sicx, (X-Raided)]

And you don't stop (And you don't stop)
And you don't stop (And you don't stop)
And you don't stop, Yo, pump it up nigga and you don't
stop

[X-Raided]

The definition for schizo
Is strictly killin any tough son of a bitch
When I say tough, I mean thinks he's tough
I'm kind of fed-up, A nigga done had enough...
Of this shit to last me a year to two
What in the fuck does a nigga gotta do nowadays...
To get his point across, I don't know
I guess you gotta get tossed like a salad
The valid of a menace
You could call this a ten percent diss
You get pissed but I don't give a fuck
You wanna squab? Yo, Then what the fuck is up?
My nigga Trip got a nine for your ass
Talk shit muthafucka and we blast
Three six's, The code that we use
I'm killin Muslims, Baptists and Jews
And Jehovah's, fuck a witness
Hittin niggaz to the Triple Six Sickness
At my house, My windows are tinted
Knock on my door, I'll shoot you in a minute

[Hook Sicx, (X-Raided)]

And you don't stop (And you don't stop)
And you don't stop (And you don't stop)

And you don't stop (And you don' stop, And you don't stop)

[X-Raided]

The definition for X-Raided is
Ruthless attitude towards every delinquent
Don't forget the X for extra
The extra ass I kick so nobody steps up
To the villain, Peepin that bullshit
I grab the 9 and unload the clip
Spray every punk nigga on the scene
Cause I'm a lunatic, Know what I mean?
Don't forget that Triple-Sicx got the backfade
Step up, Tryin to steal, Ya get sprayed
Cause I'm not givin up an inch
And neither is the muthafuckin Lynch (Hung)
But you ain't dumb, You know what's up
The whole Mafia's crazy than a muthafuck
We don't give a fuck about the next man
Unless he's down with our clan
And if ya ain't then ya got nothin comin
Do like a nigga from Compton and start runnin
A hundred miles to the city I'm from
The S-A-C punk bitch, You can't get none
I'm from South Sac, we all packed
Even that nigga Homicide is kickin raps
A title to be what? Well were takin it
And if not, We'll shoot cha ass in a minute

[Hook: Sicx, (X-Raided)]

And you don't stop (You don't stop)
You don't stop (You don't stop)
You don't stop (You don't stop) You don't stop
Can I kick it (You don't stop)
Can I kick it (You don't stop)
Can I kick it (You don't stop)
You don't stop (You don't stop)
And I'm out
