Cant you see?  
You are the only one for me  
Its destiny  
Girl you know I love you  
You know I always will  
Its like forever in one day  
Its feels like time stood still  
You know I will go  
Where you want to go  
Wanna feel you close to me  
How could I know?  
And I love you so  
Cant you see?  
You are the only one for me  
Its you and megjhgjere meant to be  
Its destiny  
Now I know I found you  
Ill never walk away  
Throught the good and bad times  
Its you that make me stay  
You know I will go  
Where you want to go  
Wanna feel you close to me  
How could I know?  
I love you so  
Its destiny  
You know I will go  
Where you want to go  
How could I know?  
And I love you soo  
Cant you see?  
You are the only one for me  
Its you and me  
Baby it's like were meant to be  
Its destiny  
Its destiny  
Its destiny
