Hey, Hey you
Hot, Hot Shot
I wanna tell you a story
About a girl and a boy
She's out of her mind
He's a real girl toy
Something inside is out of control
DJ's rocking with his viper shoes on
You keep on running in my fantasy
You get up when I get down
You can be what you want
So baby be mine
So come on, and kick it in overdrive
Hey, Hey you
Hot, Hot Shot
He likes to ride around
In his mercedez-benz
2 miles an hour, come on take a glimpse
Boom boom boom, on the radio
DJ's rocking with his viper shoes on
You keep on running in my fantasy
You get up when I get down
You can be what you want
So baby be mine
So come on, and kick it in overdrive
Hey, Hey you
Hot, Hot Shot
