You take me higher and smoother  
than any plane  
You move me faster and further  
than any train

I'll never let go

Please let me dry your tears  
and take away your fears  
Wouldn't it be nice  
heaven in your eyes

We we're on a highway to Loveland  
I guess we we're heading that way  
You're in my heart now and somehow  
I feel you're here to stay

I'll never let go

Please let me dry your tears  
and take away your fears  
Wouldn't it be nice  
heaven in your eyes

You shoot in my heart  
an arrow of angels  
And I feel down  
when you're not around  
let me help you

Please let me dry your tears  
and take away your fears  
Wouldn't it be nice  
heaven in your eyes
