Baby you  
you're all that I ever needed in my life  
tell me babe  
nothing has ever felt so divine  
I feel lost  
deep down in your eyes  
there's no need to apologize  
after all this time  
you know that

refrein:

my love is your love  
somehow  
you opened up and let me in  
My life is your love  
I feel divine  
now you know  
girl I have never felt this way before  
As for me  
I'll just have to see what's right behind your door

When you smile  
the sun comes down on me  
It's forever can't you see?  
it will always be  
cause you know that

Don't you cry now  
it will be all right  
I will make your dark turn to light  
oh yeah  
cause I don't care what people say  
I'm gonna love you anyway.....

Don't you cry now  
it will be all right  
I will make your dark turn to light  
oh yeah  
cause I don't care what people say  
I'm gonna love you anyway.....
